AGREEMENT

Between Demori Studios, LLC (Represented by Jonik Cannon) and Fairview Community Center

This Agreement is entered into as of _____, 2026, by and between Demori Studios, LLC, represented by Jonik Cannon ("Demori Studios" or "Service Provider"), and Fairview Community Center ("Fairview Community Center" or "Client"). Collectively, the parties may be referred to as the "Parties."

1. PURPOSE OF AGREEMENT

The purpose of this Agreement is to establish the terms under which Demori Studios, LLC, represented by Jonik Cannon, will provide website development and related support services for Fairview Community Center in exchange for use of the Fairview Community Center event facility on September 26, 2026, from 9:00 AM until 10:00 PM. The Parties agree that the website development services and facility use described in this Agreement constitute mutually agreed consideration for one another.

2. SERVICES TO BE PROVIDED BY DEMORI STUDIOS, LLC

Demori Studios, LLC agrees to design and develop a business website for Fairview Community Center. Services may include website design and development; mobile-responsive functionality; primary pages and sections necessary for an effective website; integration of information, images, contact information, services, facility information, and other content supplied or approved by Fairview Community Center; basic navigation and search-engine-friendly structure; website launch and deployment; reasonable corrections of technical issues related to the original development; and up to six (6) months of basic website support following launch. The exact design, layout, features, and content will be determined through reasonable communication and collaboration between the Parties.

3. SIX-MONTH SUPPORT PERIOD

Demori Studios, LLC will provide up to six (6) months of basic website support following initial launch. Basic support may include reasonable technical corrections, minor content updates, troubleshooting, and assistance related to the website as originally developed. The support period does not include substantial redesigns, major new features, extensive new pages, third-party subscription costs, domain registration fees, hosting fees, paid software, or other services outside the original scope unless separately agreed in writing.

4. PROJECT COMPLETION DEADLINE

Demori Studios, LLC agrees to use reasonable efforts to complete and make the website available for launch on or before the Agreed Upon Date. The Parties acknowledge that development may be affected by circumstances outside Demori Studios' reasonable control, including delays in receiving information or approvals; technical, hosting, domain, software, equipment, or internet issues; scheduling conflicts; illness or emergencies; acts of God; natural disasters; government actions; power outages; cybersecurity incidents; third-party delays; unforeseen business circumstances; or any other unforeseen or unknown circumstances that reasonably affect completion. In such circumstances, the Agreed Upon Date may be postponed or extended for a reasonable period. Demori Studios will make reasonable efforts to communicate significant delays when practicable. The Agreed Upon Date is a reasonable target date and not an absolute guarantee where circumstances beyond Demori Studios' reasonable control affect the project.

5. FAIRVIEW COMMUNITY CENTER FACILITY USE

In consideration for the website development and support services, Fairview Community Center agrees to provide Demori Studios, LLC with use of the event center on September 26, 2026, from 9:00 AM to 10:00 PM, at Fairview Community Center, 1053 Panola Rd #3029, Ellenwood, GA 30294. Facility use is subject to ordinary facility rules, safety requirements, and reasonable policies. Unless otherwise agreed in writing, Demori Studios will leave the facility in substantially the same condition in which it was provided.

6. EXCHANGE OF VALUE

The Parties acknowledge that the services and facility use described in this Agreement are being exchanged as mutually agreed consideration. Unless otherwise agreed in writing, neither Party shall owe the other a separate monetary payment for the services or facility use specifically described in this Agreement. Additional services outside the scope may be separately purchased or provided.

7. CLIENT RESPONSIBILITIES

Fairview Community Center agrees to reasonably cooperate by providing information, materials, photographs, logos, branding, business information, approvals, and other content reasonably necessary for website development. Delays in providing required information, materials, or approvals may result in corresponding delays. Fairview Community Center represents that it has the right to provide materials supplied to Demori Studios for use on the website.

8. WEBSITE CONTENT AND APPROVAL

Fairview Community Center will have an opportunity to review the website during development and provide reasonable feedback. The Parties agree to communicate in good faith regarding requested changes. Demori Studios will make reasonable adjustments necessary to produce a functional website consistent with the agreed project objectives. Requests that materially expand the original scope may require a separate written agreement.

9. OWNERSHIP AND THIRD-PARTY SERVICES

Upon completion of website development services, Fairview Community Center will have the right to use the completed website for its business and organizational purposes. Third-party services, software, plugins, stock media, hosting, domain registrations, subscriptions, or other products requiring separate licensing or payment remain subject to applicable third-party terms and costs. Unless specifically agreed otherwise, Demori Studios is not responsible for ongoing third-party fees.

10. LIMITATION OF LIABILITY

Each Party agrees to act reasonably and in good faith. Neither Party shall be responsible for delays or failures caused by circumstances outside that Party's reasonable control. Demori Studios does not guarantee specific website traffic, search-engine rankings, revenue, sales, leads, or other business results.

11. CHANGES TO THIS AGREEMENT

Any material changes to this Agreement must be agreed upon by both Parties in writing. Written or electronic communication may document mutually agreed changes when appropriate.

12. TERMINATION

Either Party may request termination if the other Party materially fails to fulfill its obligations. Before termination, the Parties agree to make a reasonable effort to communicate and resolve the issue. If terminated before the exchange is substantially completed, the Parties will negotiate in good faith regarding appropriate adjustment, replacement consideration, or other resolution.

13. INDEPENDENT CONTRACTOR

Demori Studios, LLC, represented by Jonik Cannon, is acting as an independent service provider and not as an employee, partner, joint venturer, or agent of Fairview Community Center. Nothing in this Agreement creates a partnership, employment relationship, or joint venture.

14. ENTIRE AGREEMENT

This Agreement represents the understanding between the Parties concerning the website development services and facility use described herein and supersedes prior verbal or written understandings concerning the same subject matter. If any provision is found unenforceable, the remaining provisions shall remain in effect to the extent permitted by law.

15. GOVERNING LAW

This Agreement shall be governed by and interpreted in accordance with the laws of the State of Georgia, unless otherwise required by applicable law.

16. ACKNOWLEDGMENT

By signing below, each Party acknowledges that it has read and understood this Agreement and voluntarily agrees to the terms contained herein. The Parties intend to fulfill their respective obligations in good faith.
